To whom it may concern:

My name is Jim Dunn and I highly recommend Raymond Burke of 'Self Defense Pest Control'.

In the beginning, we were having a problem with Roaches, so we called the 'exterminator'.

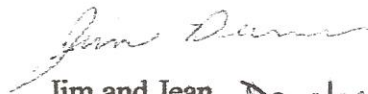

Raymond has been caring for our home for about two years and has kept us pest free. We recently had seen very small ants in our home. (Raymond can tell you the name of them) After two treatments, we haven't seen anymore of them. Thanks Raymond! We are bug free again!

Raymond is very knowledgeable in his occupation. He is very reasonably priced, and we appreciate that! He is a very personable man. He is polite and friendly.

We (my wife and I and our two dogs) have gotten to know him and we appreciate him and his service. We consider him our friend.

Again, we highly recommend Raymond to take care of all your 'Pest problems'.

Sincerely:

  
Jim and Jean, Douglasville, GA
